

AGAPE LIFE CHURCH

- Covenant -

Today we are going to have a holy communion. We are going to break traditions. People have been bound by traditions. But today, we are going to see those traditions being broken. Today we are going to see miracles as never before.

There is one thing that we have got to come out of, and that is, the **attitude of lack** or **attitude of failure**. God's attitude is the one of **abundance**. Listen, God put one man in the garden of Eden, and now we have more than 6 billion people on earth. Why is that? It is because God is a God of abundance. Whether it is healing, He has lots of it; He is never **short** of it.

Today , I want to teach you about **Covenant**.

Ephesians 2:10, *“For we are God’s workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do.”*

God ordained for you to do good works. The sick, poor, cursed man cannot do good works. I don't condemn anybody; instead, I condemn the **devil**. My bible says that, the devil has blinded people's eyes. People are not serious with God; People come to church just for the sake of it. You may have a Christian name, or have been baptized but you don't have Christ in you. You can carry your religion and yet not have Christ. Anybody who is not in Christ does not have a covenant with God, that's why you don't have hope. What is Paul saying to us? Every Jew that is on this Earth knows his / her covenant. One of the first greatest scientists / philosophers in this world are Jews. Why? Because they know their covenant.

Do you know what covenant Africa had with? It's with the devil. That's why this continent is called a dark continent. But my bible says that you don't have to live in that covenant; you can come out and come to Christ. The choice is yours. When you become a child of God, born from above, you are no more a stranger. You belong to the same covenant God made with Abraham, Jacob, David, Joshua and Daniel. Everything God promised them will be yours; oh how Lord has loved us. He has allowed us into the same covenant the Jews had. Tell your neighbor that I am going to be rich and wealthy. Why? It is because I am no more a stranger to the covenant. I am not going to die young; instead, I am going to live a long life.

My bible tells me that there is not only one covenant. There are covenants. So whatever that God promised Abraham is mine and yours.

Psalm 89:34, *“I will not violate my covenant or alter what my lips have uttered.”*

When God says a word, He never changes it. Paul was a Jew and here he tells the Gentiles that you have your rights because when God’s word goes forth, it cannot be changed. You are no more a stranger or lonely; you are in partnership with God. So, you have all the rights of everything that God has spoken.

Example

You can have a car but you don’t have a license. You know why many people don’t have licenses? It is because they don’t want to learn, and therefore, they have fake licenses. No wonder there are a lot of accidents happening in the country.

Word from the Altar

- ◆ There is one policeman watching me. You have problems with your left ear and your toe is aching. You are in that condition because you took some bribe. Don’t listen to those guys who say that it’s impossible to live without bribery. I love you and you can turn around.

Ephesians 2:13, *“But now in Christ Jesus you who once were far away have been brought near through the blood of Christ.”*

Because people don’t want to study therefore they don’t get their rights or all that God has promised. A covenant comes by knowing His word. If you don’t know the promise, how can you receive? But the moment you know your rights then you can receive from God.

Acts 20:32, *“Now I commit you to God and to the word of his grace, which can build you up and give you an inheritance among all those who are sanctified.”*

God is saying that you can pray all you want but if it’s not according to his word, he will not hear you. If you will study the word and take his promises in prayer, God’s ear will hear you.

God’s word says ask and you shall receive. If you don’t receive then seek. In seeking, that’s when you go to school and get your license.

Two Things the Word will give you: -

- ◆ 1. The word will **build you up**- that’s why you are supposed to study the word.

- ◆ 2. The word will **give you inheritance**- the bible says my people perish because of lack of knowledge. People want just to be prayed for. That's not the answer. Come and learn and get your inheritance. Many Christians have died without their inheritance. God told Joshua that if he wanted to be successful then he should meditate upon the word day and night.

You are to build your word-level.

Psalm 1:1-2, *“Blessed is the man who does not walk in the counsel of the wicked or stand in the way of sinners or sit in the seat of mockers. ²But his delight is in the law of the LORD, and on his law he meditates day and night.”*

Where do you get your counseling? Do you know why you are not blessed? Being blessed means being whole. Do you know why God is so serious with this? It's because He knows what words can do to you. When your marriage isn't working, where do you get for counseling? Your mother-in-law? Their own marriage didn't work. When you get sick, where do you go? To the witch doctors? You will never get healed.

Some people say that we have lost our minds; that's why we make noise. You know what, the children of Israel didn't enter Jericho until they made noise. Also my bible says that when my God comes back he will come with a trumpet sound.

Let me give you my own Testimony: - I had everything when growing up and I didn't lack any material things. I had a car, a motorcycle and a couple of bicycles. I used to beat up Christians whenever they came and preached to me. I didn't think I had any problem, but I had a big problem. I didn't have a covenant with God. But today I stand before you and I have all the rights to be blessed just like a white man and a Jew. I am in a plane heading for the blessings.

You got to increase your word-level. You got to study the word as never before.

2 Peter 1:4, *“Through these he has given us his very great and precious promises, so that through them you may participate in the divine nature and escape the corruption in the world caused by evil desires.”*

You know why many of us are still sinners? It is because we don't really know if Jesus really died for our sins. Jesus is not going to die again. The moment you accept the word of God, that word comes in and changes and heals your life. The word is there waiting for you to activate it. My bible says that, God does not want any of us to perish but all to have eternal life. The day you heard the word and you received it in your heart; the divine power of God came into your life and changed you. So also with money, Jesus became poor, they removed his clothes and he became naked so that you may be clothed and become rich. But until you accept and receive this word, will it work in your life.

Elisha walked with Elijah and he saw many miracles that God did through Elijah. Elisha knew that Elijah was going home, and so Elijah told him that if you succeed and **see** me

going home, you will have double of my anointing. Until you see, you will still say ‘No, I can’t leave drinking or fornication.’ My bible says, the wages of sin is death. In the time of Noah, the people said, ‘No way’, God is a God of love. He is not going to destroy us. What happened? They all drowned and died. The same thing with Sodom and Gomorrah. God will only give you life if you say, “ God I believe that you died for me on the cross and I accept you”. Today will be a day that you are going to write history in your life.

Holy Communion

You are to make a decision. For every covenant you need to know the laws and rights that are in the covenant. As I told you, the word of God will build you up and give you an inheritance. When you increase your word-level, that word will create the world around you. You are, the way you are right now, because of the words that have spoken around you. Your husband told you that you are useless, so you accept that. Yes, the world says so, but you are no more in the world’s system, rather, you are in God’s system. That’s why you need to study the word more, to attend fellowships in order to build the world around you.

Hebrews 11:3, *“By faith we understand that the universe was formed at God’s command, so that what is seen was not made out of what was visible.”*

How was the world formed? It’s by the word of God. You may tell me, Pastor, I can’t succeed because I don’t have a capital. My bible tells me that, it is not the capital that makes you succeed. Or there is no cure for HIV or cancer. It is not the medicine that heals. Right now you may not see your future but you can create it. How can you create it? By the word of God. Why can you create your world with the word of God? It’s because you are in the covenant. You are no more a stranger. The word will create miracles, healings and everything. Now when you take that covenant today is going to create. When an angel told Mary about having a child, Mary was surprised and couldn’t see how. But the angel told her that the power of the Most High would come upon her.

Every word of God will not fall to the ground. It must create. Is it pregnancy? You will get pregnant. It depends on you. This TV station is here today, not because we had money, but we created it in the spiritual world.
